

The American Film Institute's Silver Theatre and Cultural Center is proud to announce its 2004 Educational Screening Program (ESP) for Montgomery County Public Schools. Dates and times are now available for reservation starting in January through June.

What is ESP?

The Educational Screening Program provides the link between the MCPS curriculum and the film, video and print materials the AFI can access. Teachers can bring their students to the AFI Silver Theatre and Cultural Center to view films related to the curricula to inspire them to an active engagement with academic subject matter and learn critical viewing skills in the process.

Who is the ESP audience?

MCPS middle school and high school students and their teachers.

What does ESP provide?

- ✓ An experienced educator and AFI support staff to work with teachers to select an appropriate film and create the lesson
- ✓ Support materials such as readings, worksheets, speakers and teaching guides.
- ✓ The film for screening in one of the three Theatres at the Silver Theatre and Cultural Center

What does the participant provide?

Transportation for students and staff to and from the Silver Theatre and Cultural Center in Silver Spring, MD

How can teachers arrange a screening?
