The Los Angeles AFI FEST is lining up a series of events commemorating the 20th anniversary of AFI FEST and 15 years of its predecessor Filmex.

The commemorative programme Take The Journey will run during the upcoming AFI FEST from Nov 1–12 at the ArcLight Cinemas in Hollywood.

Events include a screening of Sacred Monsters presented by Peter Bogdanovich, a 24-hour movie marathon on Nov 11, and the launch of a website enabling visitors to search through an archival history of Filmex and AFI FEST.

Filmex launched in 1971 and folded into AFI FEST in 1987. For more details about Take The Journey visit www.afi.com.
